Refreshments will be Served

By Karen Renfro

At most holiday gatherings you expect to be served refreshments of some kind. As you partake, provided you don't over do it, you experience the feelings of satisfaction and renewal. This is a physical need being met. There is also a spiritual application as well. "...Whoever refreshes others will be refreshed." is a Biblical principle found in Proverbs 11:25. We have certainly experienced this to be true in the ministry of Buffalo Ridge. Recent feedback from a couple of our recent guests confirms this:

"A great place to rest in the Lord and to recharge your batteries. We loved the solitude and the view. We appreciated Jim and Peggy's warm hospitality"

"I stayed in the Loft and felt God's presence. I had sweet sleep and look forward to returning on a regular basis."

Throughout God's Word He affirms this over and over that He works through His people in order to encourage and build one another up in the faith. According to some recent statistics, published by www.strategicrenewal.com, nearly 2700 churches close their doors each month and in addition about 1500 pastors leave the ministry. Would this be the case if there were others coming along side to refresh them? What if they had taken time away and received refreshing from the Lord Himself through personal time in the Word and prayer? A little encouragement can go a long way. We believe that God will be faithful to refresh you as you have been faithfully doing the same for others.

"And let us not be weary in well doing: for in due season we shall reap, if we faint not. As we therefore have opportunity, let us do good unto all men, especially unto them who are of the household of faith." Galatians 6:9,10
